The State of New Mexico

County of Otero

I, Nora Pino of Otero, New Mexico
(name) (county) (state)

MAKE OATH AND SAY THAT:

My name is Nora Pino, and I was born in 1948, in Carrizozo, New Mexico. I, to date, have not suffered the ill effects of the Trinity Test Bomb in 1945, but several of my immediate family and relatives have died of various forms of cancer. It was stated in a report from the National Cancer Institute (enclosed) that rain water was not collected for cooking and drinking after the test bomb in 1945 and that in fact the opposite was true. We lived on a ranch eight miles east of Carrizozo, and exclusively used rain water for drinking and cooking.

I cannot believe the negligence and outright exclusion of your study to interview actual residents of the area, many of whom are still living. Please acknowledge your responsibility.
